Helpful Tips for Completing Your FLEX ONE® Request for Reimbursement

1. Complete, **sign** and **date** the front side of this form. Failure to complete **all** areas can result in a delay in processing and claim reimbursement. **Note:** All fields must be filled in completely; do not indicate "See attached" in any field.
2. **Do not submit dependent day care (DDC) or unreimbursed medical (URM) claims until after services are rendered.**
3. Attach a legible receipt (or receipts) from the service provider showing:
 - A **description** of the service, or a list of supplies furnished
 - The **charge(s)** for each service
 - The **date(s)** of service
 - The **name** of person(s) receiving service

Note: Drug receipts must show the drug name. Balance due statements and credit card receipts are not valid receipts unless they indicate all of the above-required information. Never send in receipts without an accompanying Request for Reimbursement Form.
4. The service provider's signature on the Request for Reimbursement can be substituted for a receipt.
5. Verify that the services received are eligible expenses. See below and/or refer to your Flexible Spending Account Participant's Handbook.
6. If you carry group insurance, submit expenses to the insurance carrier first. Attach the Explanation of Benefits (EOB) to document any reimbursement or credit to your deductible and coinsurance amounts.
7. The deadline, or Run-off period(s) for submitting claims for each Plan Year are determined by your Employer. Check with your employer to learn more about your run-off period.
8. Checks will not be written for less than \$15. Requests for less than \$15 will be applied to future requests.
