

What is a Family Resource Center?

A Family Resource Center is a place where families can go to:

- ⇒ Find support
- ⇒ Seek information
- ⇒ Participate in programs
- ⇒ Access services
- ⇒ Get to know other parents and children

Collaborations with community based organizations, local businesses, PTA and district staff are key to the success of our programs.

The East Ramapo Central School District Family Resource Centers operate in conjunction with the Rockland 21st CENTURY COLLABORATIVE for YOUTH and CHILDREN.
